Name	Tara Brinkman
Institution	St. Jude Children's Research Hospital
Address	262 Danny Thomas Place, MS 740 Memphis, TN, 38105 United States
Phone Number	9015955683
Alternate Phone Number	
Email Address	tara.brinkman@stjude.org

Requirements to submit AOI

A comprehensive review of previously published data has been completed	Yes
The specific aims are clear and focused	Yes
The investigator has appropriate experience and expertise to develop the concept proposal; if not, has identified a mentor or senior co-investigator.	Yes
The investigator agrees to develop an initial draft of the concept proposal within 6 weeks of approval of the AOI and to finalize the concept proposal within 6 months	Yes

Project Title

Remote Neurocognitive Assessment of Adult Survivors of Childhood Cancer: Feasibility and Validity of CNS Vital Signs (CNS VS) in the CCSS Cohort

Planned research population (eligibility criteria)

Survivors and siblings who completed the CNS vital signs remote cognitive assessment

Proposed specific aims

1. To describe the feasibility of conducting remote performance-based neurocognitive assessments in a large cohort of adult survivors of childhood cancer

2. To examine individual subtest validity and the discriminate validity of CNS VS in a large sample of adult survivors of childhood cancer

Will the project require non-CCSS funding to complete? No

If yes, what would be the anticipated source(s) and timeline(s) for securing funding?

Does this project require contact of CCSS study subjects for:

Additional self-reported information	No
Biological samples	No
Medical record data	No

If yes to any of the above, please briefly describe.

What CCSS Working Group(s) would likely be involved? (Select all that apply)

Anticipated Sources of Statistical Support

CCSS Statistical Center	Yes
Local Institutional Statistician	No

If local, please provide the name(s) and contact information of the statistician(s) to be involved.

Will this project utilize CCSS biologic samples? No

If yes, which of the following?

If other, please explain

Other General Comments

Tara Brinkman, Ellen van der Plas, and Kevin Krull will lead this project with support from Epi/biostats working group.
