Lisa Diller (Sara Barton)	Infertility Treatment and Pregnancy
Lennie Wong	Efficacy of COG Guidelines for Heart Failure
Yutaka Yasui	Calculating Cumulative Total Incidence
Monica Gramatages	Telemore Length and Second Malignancy
Lindsay Morton	Update on Genome-wide Association Study of Second Neoplasms

Ancillary Intervention Studies

PRESENTER	TOPIC
Alan Geller	Reducing Skin Cancer Risk
Kevin Oeffinger	EMPOWER – Breast Screening
Melissa Hudson Cheryl Cox	ECHOS – Cardiac Screening

CCSS Career Development Award

Fall 2012

Review Committee (P. Nathan Chair)

14 Applications Received

High quality and diverse topics

Awardee: Dr. Sogol Mostoufi-Moab
Children's Hospital of Philadelphia
University of Pennsylvania

Risk of Chronic Endocrine Disorders in Adult
Survivors of Childhood Cancer

CCSS Career Development Award

Travel Awardees:

Dr. Rebecca Howell
UT MD Anderson Cancer Center

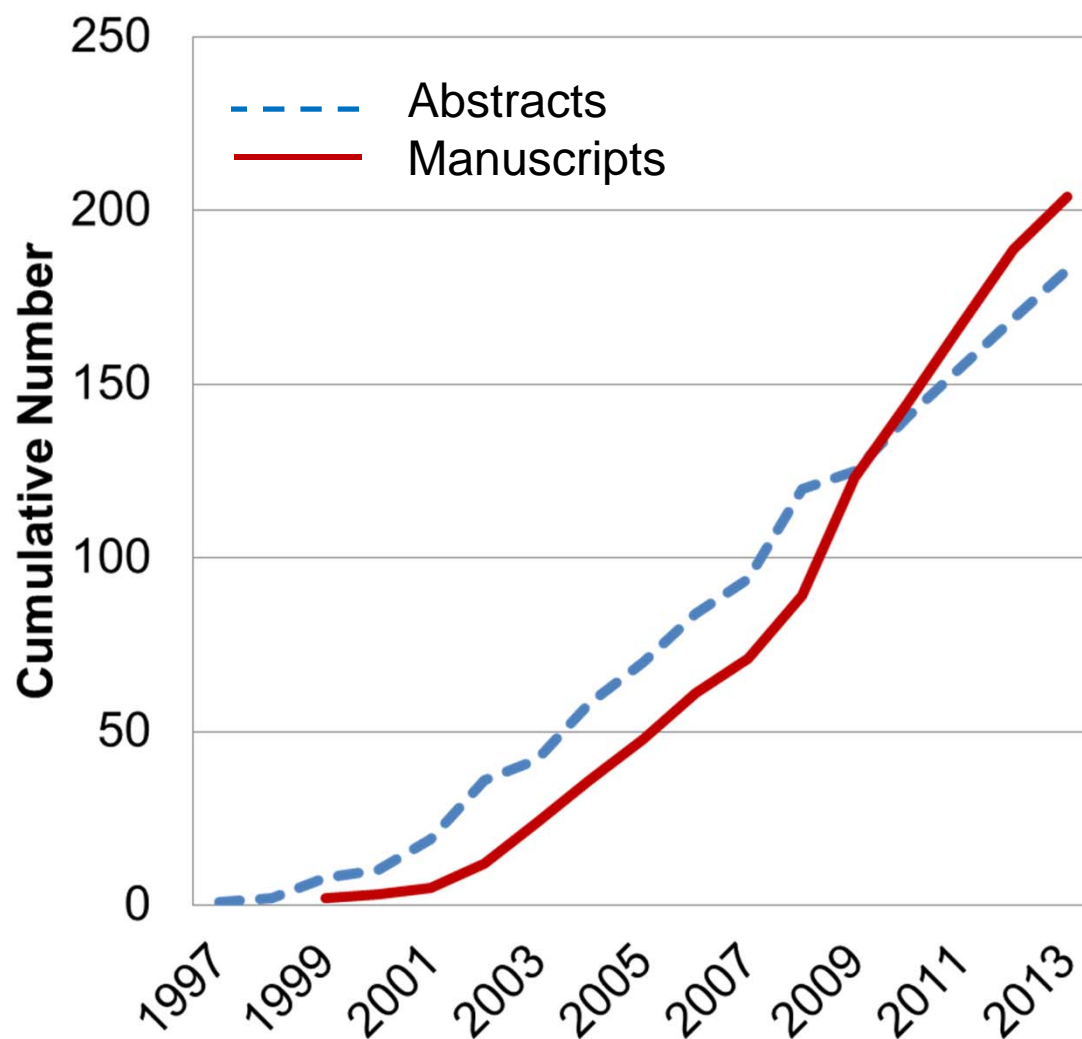

Radiation Dose Reconstruction Methods for Intensity Modulated
Radiation Therapy

Dr. Philip Lupo
Texas Children's Hospital
Baylor College of Medicine

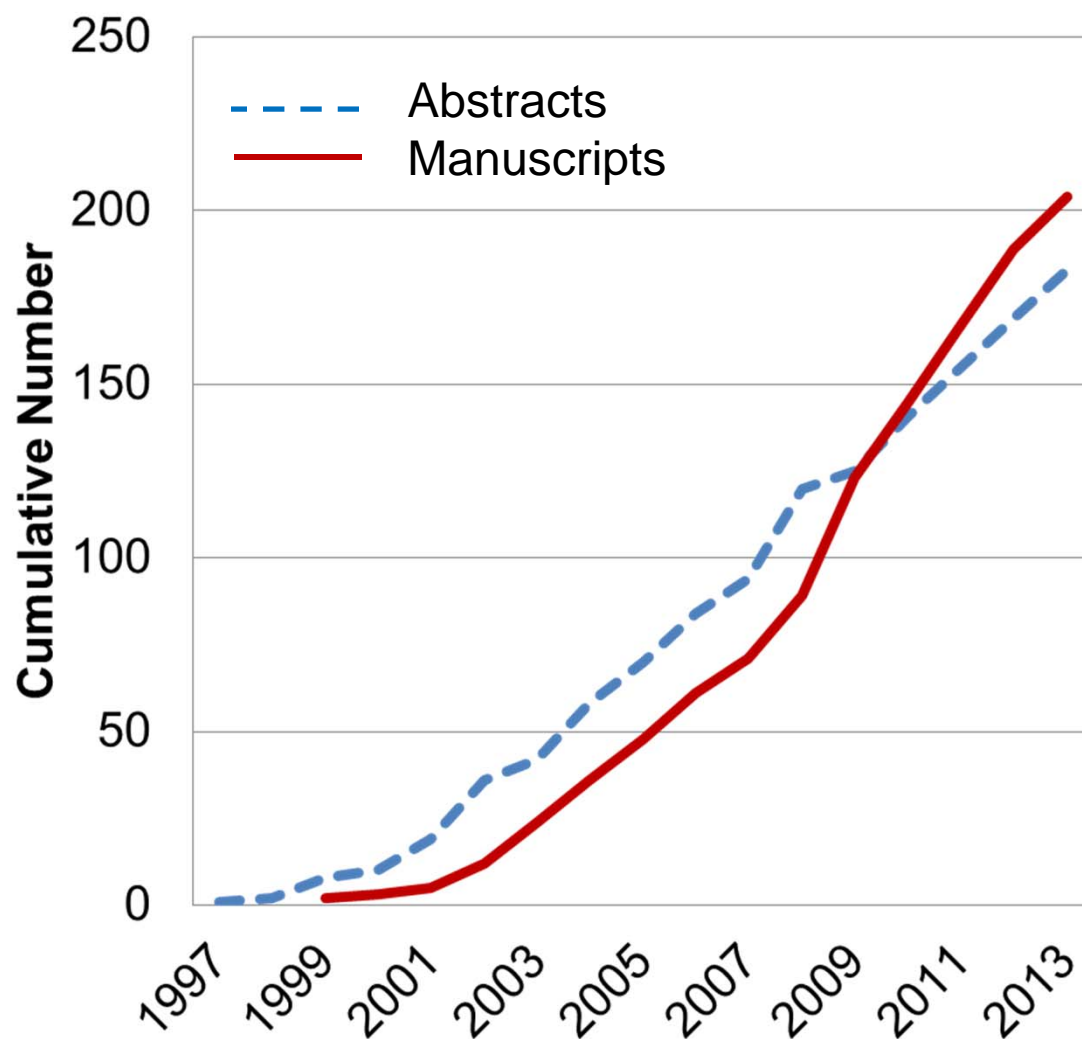

Epigenomic Profiling of Metabolic Outcomes in Childhood
Leukemia Survivors

- 204 Publications (13 submitted papers)
- 36 Funded ancillary studies (over \$25,000,000)
- Over 250 investigators involved in CCSS research projects
- 45 individuals have utilized CCSS as part of their training

CCSS Publications

CCSS Publications

Funding

U24-CA55727 (Years 18-22)

Current Grant Year 19 (12/1/2012 to 11/30/2013)

Award provided in two 6-month blocks

12/1/2012 to 5/31/2013 → Full Funding

6/1/2013 to 11/30/2013 → 12% cut (\$252K)

- Maintain modest institutional funding
- No Exec. Committee/Working Group Chairs for 2nd 6-mos
- St. Jude Institutional Cost-sharing of Coordinating Center
- Maintain support for Radiation Dosimetry Center
- Maintain support for Biostatistics and Data Center

Create an institutionally-based roster of individuals interested in participating in CCSS-based research: Faculty, Staff, Trainees

- Current CV
- Topics of research interest
- Availability and desired role

Request following the Memphis meeting

Minority Participation in CCSS Cohort

Provisional Institutions to increase the number of ethnically and racially diverse participants in the expanded cohort

Institution/PI	Survivor Pool	% Minority	Minority Population
Children's Hospital Orange Country/ L. Sender	695	46%	Hispanic : Asian : Black (25:5:1)
Cook Children's Hospital – Dallas/ P. Bowman	724	29%	Hispanic : Black (3:1)
Northwestern University/ K. Dilley	1039	27%	Hispanic : Black (2.3:1)
University of Chicago/ T. Henderson	826	41%	Black : Hispanic (4:1)

G. Armstrong (Chair)

Previous Grant Review: Weakness related to the number of minority participant and the potential underrepresentation of minorities.

Collaboration with researchers in the Department of Preventive Medicine, University of Southern California

Recommendations on minority recruitment and retention.

Consideration of Leadership with Respect to:

- Maintaining Current Momentum
- The Next Competitive Renewal Grant
- The Long-term Future of the Project

Transition of Leadership

Position	Current Individual(s)	Tenure
Principal Investigator	Les Robison	1994-Present
Co-Principal Investigator	Melissa Hudson	2012-Present
Project Director	Greg Armstrong	2005-Present
Cancer Control Working Group	Kevin Oeffinger	2008-Present
Chronic Disease Working Group	Chuck Sklar	1994-Present
Epidemiology/Biostatistics Working Group (co-chairs)	Ann Mertens Wendy Leisenring	1994-Present 2004-Present
Genetics Working Group	Smita Bhatia	2009-Present
Psychology Working Group	Kevin Krull	2008-Present
Second Malignancy Working Group	Joe Neglia	2008-Present

Transition of Leadership

Position	Current Individual(s)	Tenure
Principal Investigator	Les Robison	1994-Present
Co-Principal Investigator	Melissa Hudson	2012-Present
Project Director	Greg Armstrong	2005-Present
Cancer Control Working Group	Kevin Oeffinger	2008-Present
Chronic Disease Working Group		2013
Epidemiology/Biostatistics Working Group (co-chairs)	Ann Mertens Wendy Leisenring	1994-Present 2004-Present
Genetics Working Group	Smita Bhatia	2009-Present
Psychology Working Group	Kevin Krull	2008-Present
Second Malignancy Working Group	Joe Neglia	2008-Present

Transition of Leadership

Position	Current Individual(s)	Tenure
Principal Investigator	Les Robison	1994-Present
Co-Principal Investigator	Melissa Hudson	2012-Present
Project Director	Greg Armstrong	2005-Present
Cancer Control Working Group		
Chronic Disease Working Group	Kevin Oeffinger	2013 (July)
Epidemiology/Biostatistics Working Group (co-chairs)	Ann Mertens Wendy Leisenring	1994-Present 2004-Present
Genetics Working Group	Smita Bhatia	2009-Present
Psychology Working Group	Kevin Krull	2008-Present
Second Malignancy Working Group	Joe Neglia	2008-Present

Transition of Leadership

Position	Current Individual(s)	Tenure
Principal Investigator	Les Robison	1994-Present
Co-Principal Investigator	Melissa Hudson	2012-Present
Project Director	Greg Armstrong	2005-Present
Cancer Control Working Group		
Chronic Disease Working Group	Kevin Oeffinger	2013
Epidemiology/Biostatistics Working Group (co-chairs)	Ann Mertens Wendy Leisenring	1994-Present 2004-Present
Genetics Working Group	Smita Bhatia	2009-Present
Psychology Working Group	Kevin Krull	2008-Present
Second Malignancy Working Group	Joe Neglia	2008-Present

Transition of Leadership

Position	Current Individual(s)	Tenure
Principal Investigator	Les Robison	1994-Present
Co-Principal Investigator	Melissa Hudson	2012-Present
Project Director	Greg Armstrong	2005-Present
Cancer Control Working Group	Paul Nathan	2013 (July)
Chronic Disease Working Group	Kevin Oeffinger	2013 (July)
Epidemiology/Biostatistics Working Group (co-chairs)	Ann Mertens Wendy Leisenring	1994-Present 2004-Present
Genetics Working Group	Smita Bhatia	2009-Present
